COUNT ONE

The SPECIAL AUGUST 2015 GRAND JURY charges:

**MAGISTRATE JUDGE MASON**

1. At times material to this Indictment:

The Medicare Program

a. The Medicare program was a federal health care program providing benefits to persons who were 65 years of age or older, or disabled. Medicare was administered by the Centers for Medicare and Medicaid Services, a federal agency under the United States Department of Health and Human Services. Individuals who received benefits under Medicare were often referred to as Medicare "beneficiaries."

b. Medicare was a "health care benefit program," as defined in Title 18, United States Code, Section 24(b), and a "Federal health care program," as defined in Title 42, United States Code, Section 1320a-7b.

c. The Medicare program included coverage under two primary components, hospital insurance ("Part A") and medical insurance ("Part B"). Part A of the Medicare program covered the cost of home health care services such as skilled nursing services.

d. By becoming a participating provider in Medicare, enrolled providers agreed to abide by the policies and procedures, rules, and regulations governing reimbursement.

To receive Medicare funds, enrolled providers, together with their authorized agents, employees, and contractors, were required to abide by all the provisions of the Social Security Act, the regulations promulgated under the Act, and applicable policies and procedures, rules, and regulations issued by CMS and its authorized agents and contractors. Health care providers were given and provided with online access to Medicare manuals and service bulletins describing proper billing procedures and billing rules and regulations.

e. Medicare Part A regulations required health care providers enrolled with Medicare to maintain complete and accurate medical records reflecting the medical assessment and diagnoses of their patients, as well as records documenting the actual treatment of the patients to whom services were provided and on whose behalf claims for payment were submitted. These records were required to be sufficient to permit Medicare, through its contractors, to review the appropriateness of payments made to the health care provider under the Part A program.

f. To receive reimbursement for a covered service from Medicare, a provider was required to submit a claim, either electronically or using a paper form, containing the required information appropriately identifying the provider, patient, and services rendered.

g. A home health agency was an entity that provided health care services to Medicare beneficiaries in their homes. Home health care services included but were not limited to skilled nursing services. Medicare covered home health care services when beneficiaries needed skilled care and were homebound.

h. Home health care services were billed to Medicare in 60-day periods known as episodes of care. Medicare reimbursed home health care companies at a higher level for the episode when more services were provided.

i. For a beneficiary to be eligible to receive home health care services covered by Medicare, a physician was required to certify that the patient needed skilled care and was homebound. In addition, the home health agency was required to provide the beneficiary with a comprehensive assessment of the beneficiary's health status, as conducted by a registered nurse. The registered nurse was required to independently assess the beneficiary's homebound status.

j. The comprehensive assessment required by Medicare was also referred to as the Outcome and Assessment Information Set, or OASIS. The health information collected during the comprehensive assessment was required to be reported to Medicare, and Medicare used the information to calculate the amount the home health agency would be paid for the episode of care. Medicare paid the home health agency more for an episode of care when the comprehensive assessment indicated the beneficiary's clinical condition was more severe.

a. to knowingly and willfully execute a scheme and artifice to defraud a health care benefit program affecting commerce, as defined in Title 18, United States Code, Section 24(b), that is, Medicare, and to obtain, by means of materially false and fraudulent pretenses, representations, and promises, money and property owned by, and under the custody and control of, said health care benefit program, in connection with the delivery of and payment

#### **Purpose of the Conspiracy**

3. It was the purpose of the conspiracy for GREGORIO CORDERO, MYRNA CORDERO, PARIS RAMIREZ, Roberto Jonson, and others to unlawfully enrich themselves by, among other things: (a) submitting and causing the submission of false and fraudulent claims to Medicare for home health care services that were medically unnecessary, never provided, and procured through the payment of kickbacks and bribes; (b) concealing and causing to be concealed the submission of false and fraudulent claims to Medicare; and (c) diverting the proceeds of the fraud scheme for personal use and benefit.

#### **Manner and Means**

4. It was part of the conspiracy that, on or about March 19, 2012, GREGORIO CORDERO and MYRNA CORDERO certified to Medicare on behalf of Mid-Care, "I agree to abide by the Medicare laws, regulations and program instructions that apply to this provider. The Medicare laws, regulations, and program instructions are available through the Medicare contractor. I understand that payment of a claim by Medicare is conditioned upon the claim and

the underlying transaction complying with such laws, regulations, and program instructions (including, but not limited to, the Federal anti-kickback statute and the Stark law), and on the provider's compliance with all applicable conditions of participation in Medicare."

5. It was further part of the conspiracy that GREGORIO CORDERO and MYRNA CORDERO negotiated and paid kickbacks and bribes to Roberto Jonson and others in exchange for the referral of Medicare beneficiaries to Mid-Care, including but not limited to kickbacks and bribes to Roberto Jonson disguised as payments to Berzen and Assertive Consultants.

It was further part of the conspiracy that GREGORIO CORDERO, MYRNA CORDERO, PARIS RAMIREZ, and other co-conspirators falsified, fabricated, and altered, and caused the falsification, fabrication, and alteration of, Mid-Care medical records, including but not limited to OASIS forms, nursing visit notes, and Form 485s, to support claims for home health care services that were medically unnecessary, never provided, and procured through the payment of kickbacks and bribes.

8. It was further part of the conspiracy that PARIS RAMIREZ forged signatures on medical records, including but not limited to Form 485s and nursing visit notes, to make it appear that beneficiaries qualified for home health care services when, in fact, they did not qualify, and to make it appear that beneficiaries had received home health services when, in fact, they had not received the services.

9. It was further part of the conspiracy that GREGORIO CORDERO, MYRNA CORDERO, PARIS RAMIREZ, and others, through the use of interstate wires, submitted and caused the submission of false and fraudulent claims to Medicare by billing for home health care services that were medically unnecessary, never provided, and procured through the payment of kickbacks and bribes.

10. It was further part of the conspiracy that GREGORIO CORDERO, MYRNA CORDERO, PARIS RAMIREZ, and others caused Medicare to pay approximately \$2.8 million in false and fraudulent claims to Mid-Care for home health care services that were medically unnecessary, never provided, and procured through the payment of kickbacks and bribes.

11. It was further part of the conspiracy that defendants GREGORIO CORDERO, MYRNA CORDERO, PARIS RAMIREZ and others misrepresented, concealed and hid, and caused to be misrepresented, concealed and hidden, the purpose of the conspiracy and acts done in furtherance of the conspiracy.
